

Xerox® WorkCentre™ 5019/5021 Multifunction System

Affordable office productivity.

With one affordable device you can print, copy and scan your most common office documents in up to A3 size.

Cost-saving features

- Low-cost, all-in-one functionality includes printing, copying and scanning, and saves office space and reduces costs by consolidating standalone devices.
- The optional Duplex Automatic Document Feeder on the WorkCentre 5021 saves time and reduces paper costs.
- Toner Save mode helps you spend less on consumables.
- For greater cost control, the Copy Accounting feature allows up to 10 password-protected user accounts with individual copy-job limits.

Streamlined performance

- Do more in less time with fast print speeds up to 18 / 20 ppm.
- Built-in scanning reduces paper clutter and gets your office digitally organised.
- Included scanning software solutions increase document workflow efficiency, helping you improve image quality and enabling Optical Character Recognition for future editing.
- Available paper capacity of up to 850 sheets means fewer stops to reload paper and more paper-size versatility.
- Print on plain paper, recycled paper and labels, and sizes up to A3.

Ease of use

- Simple walkup functions and features are at the touch of a button.
- A centre output tray helps the device fit easily in tight spaces.
- The Job Build feature eliminates manual collation, saving you precious time.
- Convenient tools like N-up and ID Card Copy simplify everyday processes – and come standard.
- Designed for fast and simple installation and set-up.
